Technical Requirements

This section covers technical details, additional information and requirements for our performance.

On stage

For best results we ask you to provide the listed items.

Vocals

- 1x SM58 or comparable
- mic stand with boom
- Reverb / delay

Guitars

- 2x e609 or comparable with stand
- 3x power socket

Bass

- 2x power socket

Synthesizers / Computers

- 2x power socket

Drums

- appropriate microphones with stand
- reverb
- drum rug

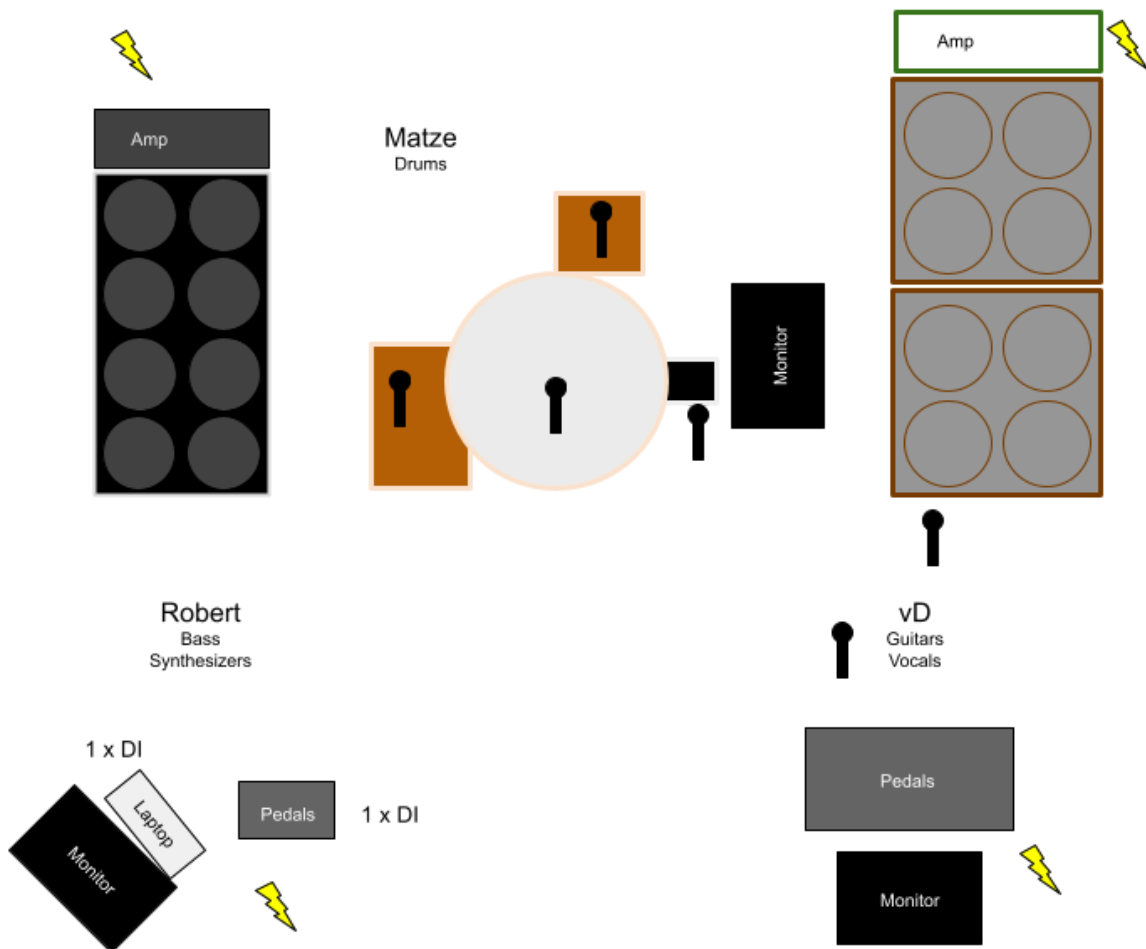

Additional Information

We like to perform at **high volume** on stage. Please plan accordingly.

We tend to be sloppy during monitor setup. Please be persistent and give clear instructions, while setting up the **monitor mix**.

Please be aware, that we play only **two songs**, unless otherwise noted.

Stage Plan

Catering

Von Doom (Guitars / Vocals)

- A warm meal (vegan / vegetarian)
- **NO milk / lactose**
- A couple alcohol free beers

Matze (Drums)

- A warm meal (vegan / vegetarian)
- A couple of beers (pilsener)

Robert (Bass / Synth)

- A warm meal (vegan / vegetarian)
- **NO soy protein**
- Drinks without alcohol (sparkling water, Club Mate, ...)
